*"the free spirit of French jewelry"*

## Le Cube Diamant

- a round diamond in a square -

Created at the beginning of the seventies,  
the cube, a primordial shape in the dinh van universe,  
has become one of its main symbols.

# dinh van

Le Cube Diamant collection plays with volumes, empty and full spaces, round and square shapes, perfectly illustrating geometric codes which dinh van appreciates.

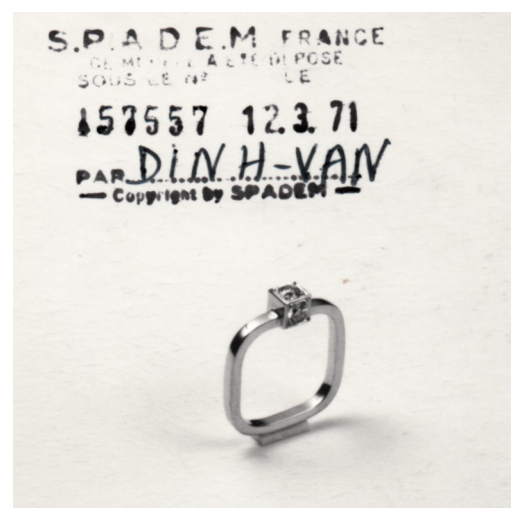

This work on shapes makes the light circulate around the diamond and creates a unique brightness.

Jean Dinh Van, créateur de ces bijoux... pour vous !

15ans clipping, 1979.

Ring, 1971.
